Family Thanks:

The Waite family would like to sincerely thank the St Anthony's community for helping in so many ways to make Eileen Westman's Funeral Mass and the following refreshments such a meaningful celebration of her life. Your expressions of sympathy, kindness and support are deeply appreciated. Geraldine, Ian, Stephanie, Michaela, & Andrew.

CHILD SAFE PARISH

We are a Child Safe Parish: all children, young persons and vulnerable adults visiting have a right to feel safe and be safe. If you are concerned for any form of abuse that is immediate you should call 000; a significant risk or harm, whether or not you have formed this belief on reasonable ground, you should immediately raise your concerns with our Parish Child Safety Officer – Nicole Rangiira 0437 382 408. Children leaving the Church during Mass are to be accompanied by an adult. Thank you.

*** St Vincent de Paul ***

Members of St Anthony's SVDP thank parishioners, as well as school staff & students, for your wonderful response to the 2018 Christmas Hamper Appeal. Due to your generosity over 40 hampers were packed and delivered to families living in the St Anthony's area. For a lot of struggling families this is the only way they would be able to provide for their families at Christmas and they really appreciate the assistance they receive.

*** Social Justice News ***

Social Justice Thought for the Week:

A few days ago, Fijian Prime Minister Frank Bainimarama explicitly told Australia to do better on climate change. He said the only way to guarantee the survival of Pacific island countries was for Australia to shift away from fossil fuels. He also said:

'From where we are sitting, we cannot imagine how the interests of any single industry can be placed above the welfare of Pacific peoples and vulnerable people in the world over.

Rising seas threaten whole communities, forcing them to endure the trauma of relocating from land they've endured for generations.

Fijian farmers are watching their crops perish in soil that has been spoiled by the heightened salinity that is associated with sea level

rise.'

'Consensus from the scientific community is clear, and the existential threat posed to Pacific island countries is certain.'

Laurie Reedy Collection: The next collection for the fund, which supports refugees and needy families in our local area, will be held **this weekend**.

Next meeting Wednesday,
Feb 6th at 5pm in Parish Office, all welcome.
